III. DISCUSSION

- a. Presentation by Paige Rogers, Center for Adult Learner Success
Discussion/Action: Adult learners come to USI from many diverse cultural backgrounds, each with their own sets of experiences and personal responsibilities. They are parents, business owners, retirees, or come from any other lifestyle. There are always exceptions, but an adult learner can identify with at least one of the following situations: 25 years or older, returned to school after 2+ years away, and how constituents and employees, in general, feel about the program. Most seem positive. Senators will continue to get feedback and provide updates at future Administrative Senate meetings.

IV. ADJOURNMENT

The next Administrative Senate Meeting is October 12, 2022.
