Figure 1. Percent of all students enrolled, by race/ethnicity and percent of students who are women: Fall 2013

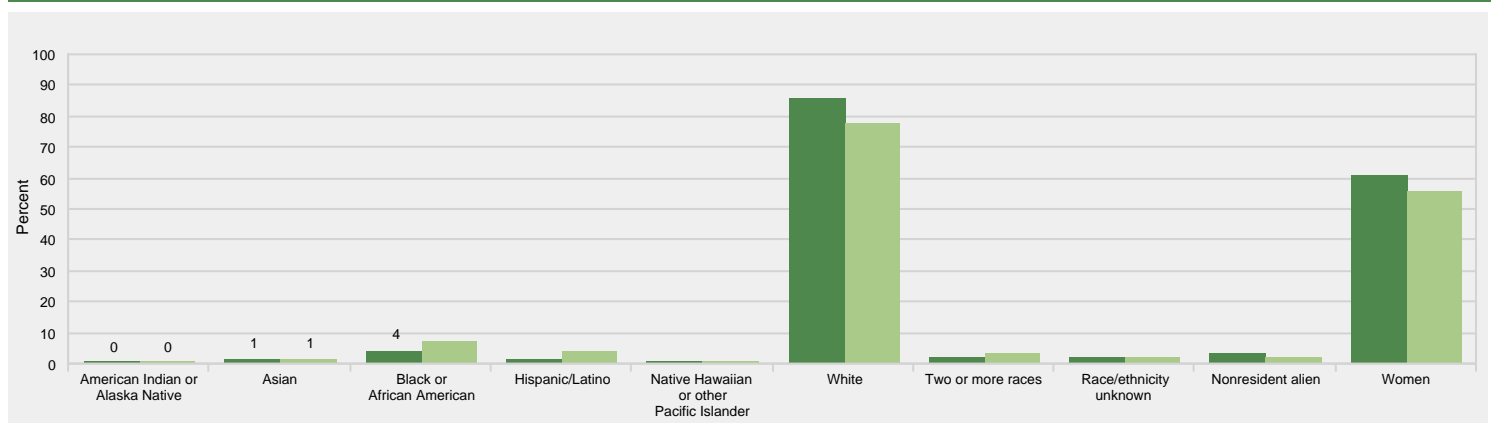

Figure 1 is a bar chart comparing the percentage of students enrolled by race/ethnicity and the percentage of students who are women in Fall 2013. The x-axis lists categories: American Indian or Alaska Native, Asian, Black or African American, Hispanic/Latino, Native Hawaiian or other Pacific Islander, White, Two or more races, Race/ethnicity unknown, Nonresident alien, and Women. The y-axis represents the percentage from 0 to 100. The 'White' category has the highest percentage at approximately 85%, followed by 'Women' at approximately 60%. Other categories have much lower percentages, with 'American Indian or Alaska Native' at 0%.

Figure 2. Unduplicated 12-month headcount of all students and of undergraduate students (2012-13), total FTE enrollment (2012-13), and full- and part-time fall enrollment (Fall 2013)

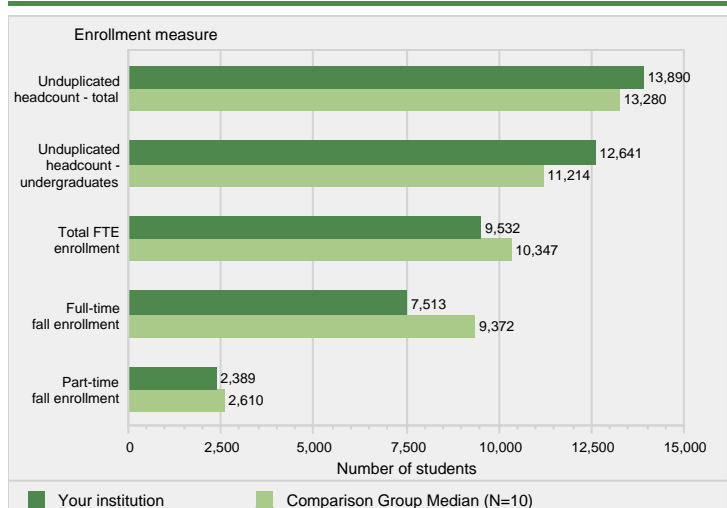

Figure 2 is a horizontal bar chart comparing enrollment measures for 'Your institution' and 'Comparison Group Median (N=10)'. The x-axis represents the number of students from 0 to 15,000. The y-axis lists enrollment measures: Unduplicated headcount - total, Unduplicated headcount - undergraduates, Total FTE enrollment, Full-time fall enrollment, and Part-time fall enrollment. For each measure, the 'Your institution' bar is dark green and the 'Comparison Group Median' bar is light green. The 'Unduplicated headcount - total' for your institution is 13,890, which is higher than the comparison group median of 13,280.

Figure 3. Number of degrees awarded, by level: 2012-13

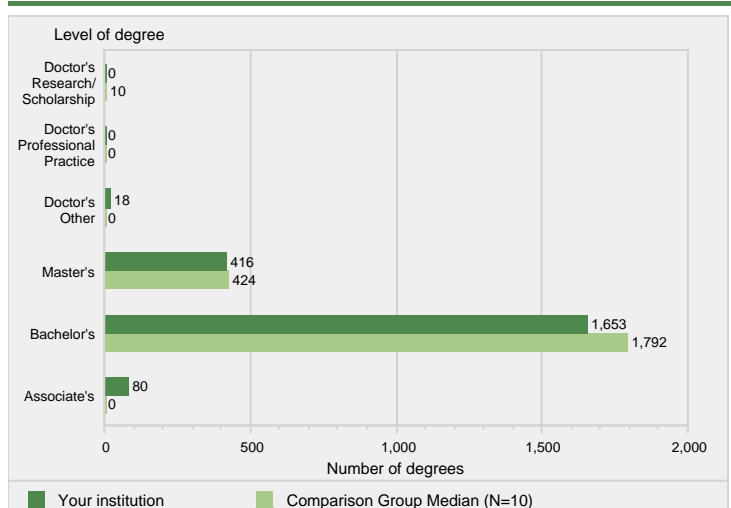

Figure 3 is a horizontal bar chart comparing the number of degrees awarded by level for 'Your institution' and 'Comparison Group Median (N=10)'. The x-axis represents the number of degrees from 0 to 2,000. The y-axis lists degree levels: Doctor's Research/Scholarship, Doctor's Professional Practice, Doctor's Other, Master's, Bachelor's, and Associate's. For each level, the 'Your institution' bar is dark green and the 'Comparison Group Median' bar is light green. The 'Bachelor's' level has the highest number of degrees awarded, with 1,653 for your institution and 1,792 for the comparison group median.

Figure 4. Academic year tuition and required fees for full-time, first-time degree/certificate-seeking undergraduates: 2010-11 to 2013-14

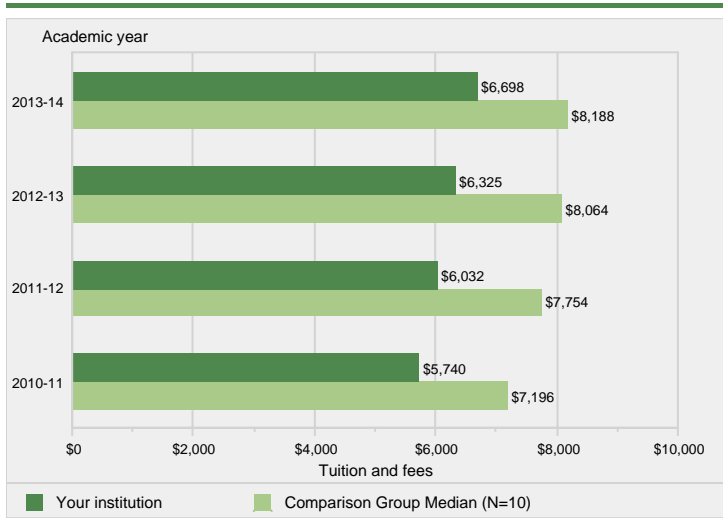

Figure 5. Average net price of attendance for full-time, first-time degree/certificate-seeking undergraduate students receiving grant or scholarship aid: 2010-11 to 2012-13

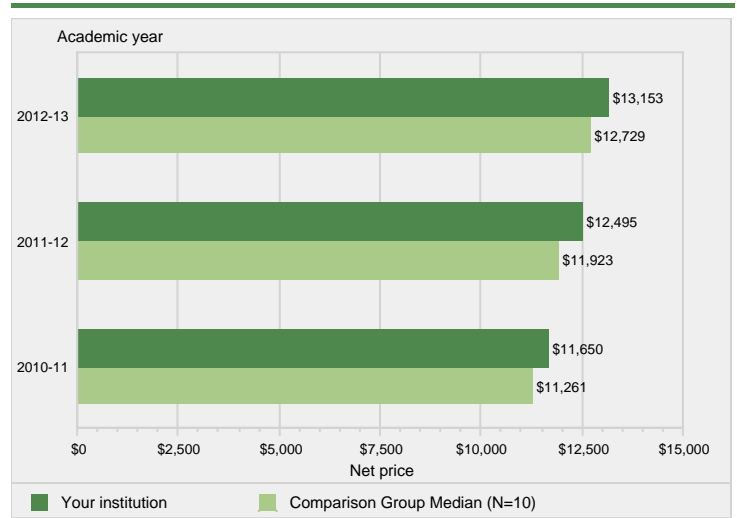

Figure 6. Percent of full-time, first-time degree/certificate-seeking undergraduate students who received grant or scholarship aid from the federal government, state/local government, or the institution, or loans, by type of aid: 2012-13

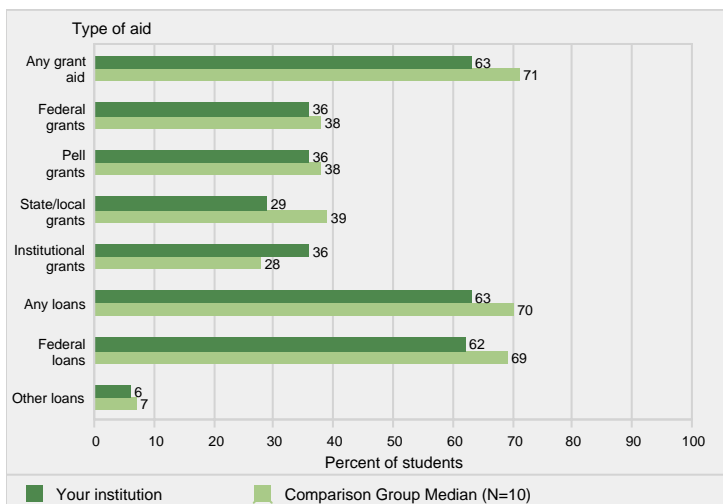

Figure 7. Average amounts of grant or scholarship aid from the federal government, state/local government, or the institution, or loans received, by full-time, first-time degree/certificate-seeking undergraduate students, by type of aid: 2012-13

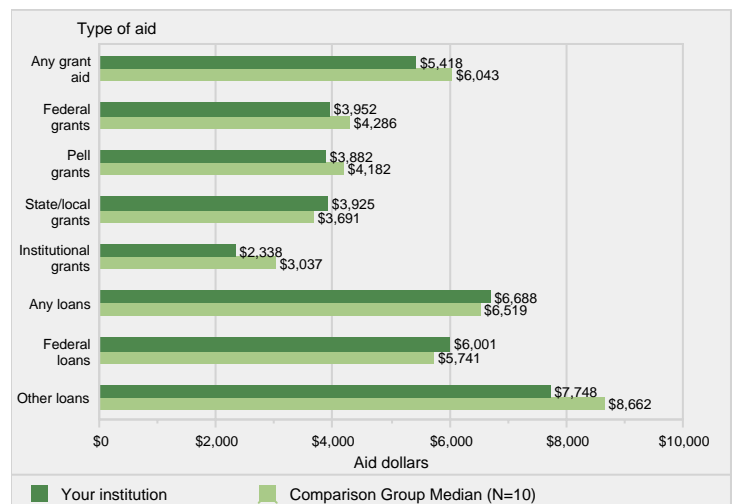

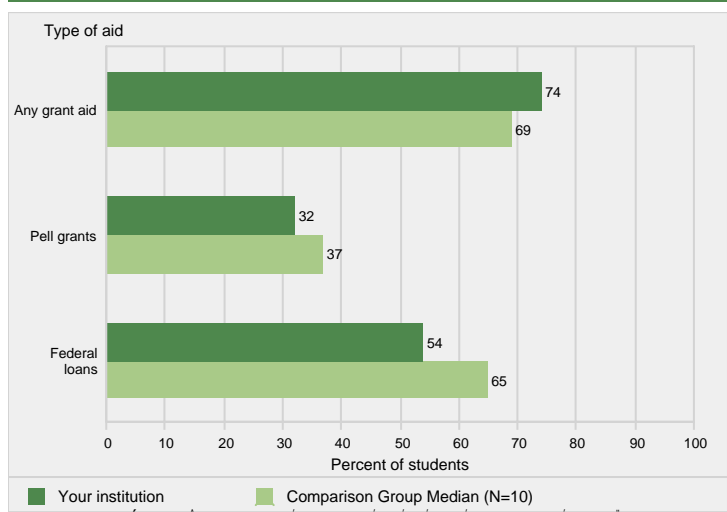

Figure 8. Percent of all undergraduates receiving aid by type of aid: 2012-13
