Wednesday, November 2, 2022
3 p.m. BE 3024

I. CALL TO ORDER:

e.

b. Standing Committees

- i. Employee Benefits – Laurel Wilson, Chair / Vacant, Vice-Chair
 - The committee had chatted informally in Teams but had not had an “official” meeting.
- ii.

- iv. Replacement fee for lost/updated employee ID cards
Discussion/Action: No report.
- v. IFC – Fee waiver for athletics fees for employees
Discussion/Action: Governance Chairs had a discussion on this IFC. Jaime Curry and Sarah Will (HR) are working together to try and get some data on what we are looking at number-wise (i.e., how many of our employees are taking USI classes – how much money does this Athletic fee translate to). This will give us a good foundation to build on discussion-wise with this IFC. Pretty strong consensus among employees on campus that this fee should be waived. Once data is known, a meeting could be scheduled with the other two committees (Faculty Senate and Staff Council) to align and make a counterproposal to how this should be handled.

- b. Tabled Projects
 - i. N/A

VII. New Business

- a. Fall Survey results – Steven Stump to look into getting this data.
